

The Short Circuit

The March meeting of the United Radio Amateur Club will be held Friday, March 17th, at 7 pm in the break room of the Los Angeles Maritime Museum, located at Berth 84, foot of Sixth Street in San Pedro. Parking is available in the lot adjacent to the Acapulco Restaurant just south of the Museum. There is limited handicapped parking on the street across from the museum. The entrance to the break room is through the gate on the north side of the museum (towards the bridge and the Iowa). There will be a greeter on the gate.

Program: Hands On Tech 101

The program originally scheduled for the February meeting will be rolled over to March 17th. The original concept was -- "WOW - I got a license now what?" The idea is to panel up a team of experienced licensees who have both real world operating and technical experience to assist the new ham or one who lacking in any specific area.

To assist this panel, I ask that you send in your questions for the team to address rather than try to cover DC to daylight.

I will put the question into a pool and your names and call signs WILL NOT BE DISCLOSED. The more you open up about your needs to know, the more value the meeting will be. Please send all questions to URACENEWS@AOL.COM. Thanks in advance!

Here are two of our panel members:

Jim Jerzycke KQ6EA

Doug Dowds, W6HB

Club President, K6AA Station Trustee, Battleship Iowa Radio NI6BB President and Founder; licensed since 1962.

Previous: Boeing /Sea Launch, Direct TV, Hughes Aircraft, Torrance Wireless; **Northern Illinois University**__Specialties: Transmitters, receivers, up and down converters, feedlines, and antennas, HF through Millimeter Wave

QST de President Doug, W6HB...

Hope all enjoyed the mega-rain break that triggered the cancellation of our February meeting. Scotty and I phoned all who were on the membership lists we had. Sorry we missed a few who had not yet made it to all spreadsheets. To the best of my knowledge we are now current.

March's meeting topic is Techie 101 and is geared for anyone with technical or operational questions. A panel consisting of KQ6EA, N6EFI and W6HB so far will try to address questions from the audience. I sent out a call for questions in advance to all members and received not one reply. Here's hoping you open up on 3/17 or it will be a VERY short meeting.

Sorry to sound like a broken record folks but there is still no known project activity on the club's trailer tower. To be placed into service for Field Day in June the work MUST be completed and re-inspected to satisfy all interested and concerned parties. To get involved contact Bill, KB6WKT, or Steve, K6NT.

Lots of good food and chatter at the monthly breakfasts at the Think Cafe. Where you there?

Relative to getting an antenna up so K6AA at the LAMM can work 40 meters, Larry, KK6TXN, and I are working on same. When it comes time to installed the dipole we will ask for some young bloods who are comfortable working from ladders.

Bill, W6AJ, as your Vice President is responsible to provide us with the program of the month. A few leads I have pitched to him for April and beyond are a talk by a Marine doctor on his visit to ARRL HQ in Connecticut and one by Clint, K6LCS, on working the "birds." The Doctor's talk was highly rated by a friend and Clint's was seen by me tonight and although presented to URAC many years ago, has been totally redone and is fun and very interactive. All please remember that the May meeting is the year's first White Elephant Sale the proceeds of which fund Field Day. Start rounding your surplus goodies and prepare for May 19th.

All who did not renew from 2016 have been dropped from the roster and the URAC email lists. Please see Gary, N6HMR, to reapply.

The application to use Angels Gate Park again for Field Day has been made via a couple trips as has the application been made and permission received to use the Angels Gate Cultural Center's restroom facility. FD chairs should put a couple 6-packs of TP on their shopping list...

If you are a Vietnam veteran you might enjoy the Vietnam Veterans Memorial Day events starting at 1100 at Battleship IOWA on Saturday, March 25th. There will be free admission for Vietnam veterans with proper ID and up to three guests and they may receive a lapel pin and certificate in acknowledgment for their service. There be entertainment, food and other events as well open to all.

See you on the air most Thursday nights on 145.510 simplex.....

73 - Doug - W6HB

March First Saturday Breakfast

20 members and guests assembled this past Saturday and here's what they had to say; Stuart, AI6VG is joining us for the first time...a fairly new (Nov '16) ham from Pedro, he was a maintenance electrician, welder, and ran a sport fishing boat; in other words a typical neighbor.

Welcome, Stuart.

David, W6KL from Burbank had nothing new to report this month.

John, KC6JHV, has been busy with dental work and helping his dad and plans to visit Switzerland this May. Homer, K6HKT and his daughter Andrea are heading to the local boat show after this meeting...and Andrea asked the group for any information on a portable PA system...

Martin, N6UB and xyl Mary enjoyed watching the big waves and surf during the recent storms, especially from White's Point just before sunset.

Tom, KJ6JPZ is in the midst of planning a 6 week trip to Europe this summer. He reports the latest pills work well on gout.

Scotty, K6ZNL updated us on parking at the Maritime Museum: park in the lot on the south side of the Acapulco Restaurant. Also the parking slots on the street that were designated for the Port Police have been re-assigned to Museum parking. The handicapped spaces directly across from the museum have not been affected.

John, WA6SDK reports he is hearing more DX (finally) at K6AA after many months of lousy band conditions.

Sam, K1SL, is glad to be back to see everyone and still to be kicking...

Ivan, KB6ATT went for a bone density test recently and reports OK bones! He is prepping for the annual Baker to Vegas Race, which this year will be in March (25 and 26th). He and Sam will be working stage 2 and/or 4.

Nick, N6EFI, has spent some time outside cleaning up after the rains and putting down a surfacing material made of ground up tires.

John, AG6VO has recently spent time on the IOWA teaching 4th and 8th grade kids for the "Day of Discovery". He will also be teaching EXCEL in the fall at CSULB.

Brian, W6BDW came down to us and the IOWA from Upland again. We met Brian last month; he runs the weekday Rag Chew and Swap Net on 40 meters: 7.235 MHz. He just took over the net two months ago. The website is NA6R.com.

Larry, KK6TXN, has been busy recently with a sick water heater and a sick dog. He is hoping to get back to radio soon.

Steve, K6NT, participated with the PV group in the DXpedition to Catalina Island again this year. For show and tell, he brought the 'game' camera that he used to snap photos of the critters in his back yard:

Doug, W6HB is looking forward to his upcoming trip to the Cook Islands, where he will be also with Bruce, AD7MM, and Marilyn Sperka. He reminds us that the ARRL International DX contest is this weekend-phone. He also reminds us that the URAC meeting this month will be a question and answer format on the technical part of the hobby and is soliciting questions to be addressed at the meeting.

Faithfully submitted,
Scotty Butler, K6ZNL, temporary gossip guru

December 15, 2016

Dear Amateur Radio & DX Enthusiast,

Are you waiting to see how Dayton does in its new home, but still want to meet and mingle with all your DX friends? Are you saving money for yet another tower, rig or amp? Then Join us next year for a fun event: The 68th International DX Convention in Visalia, CA., April 21 – 23, 2017!

IDXC 2017 is sponsored by the Northern California DX Club at the beautiful Visalia Convention Center in downtown Visalia, CA. IDXC is the premier DX Convention in the United States, and is attended by hundreds of serious DXers and Contesters looking to improve their skills, upgrade their stations and spend some quality hands-on time with the vendors' latest equipment offerings. If you're interested in getting involved in DXing, this a great place to start!

Convention Highlights:

- We've added a day!
- Onsite Registration begins on Thursday afternoon, April 20, 2017 at 3:00 PM local time
- Convention is now a full 2.5 Days: Friday (April 21); Saturday (April 22); 1/2 day Sunday (April 23)
- 15-20 DX & Technical Seminars now on both Friday & Saturday
- Excellent Keynote Speakers
- 35-40 Exhibitors in large Exhibit Hall offering all the latest gear Friday and Saturday
- ARRL QSL Card Checking
- Great Raffle Prizes
- Open DX Forum; Contest Forum; ARRL Forum; YL Forum
- Optional training on Friday: Contest Academy - Basic & Advanced Contesting Techniques
- Eyeball QSOs with your DXing friends, or make some new ones!
- Optional Friday Dinners: Top Band Banquet or IOTA Banquet or Contest Banquet
- Optional Saturday Visalia Tour
- IDXC Registration is now open!
- For more information and to register, visit our website at: dxconvention.org

IDXC 2017 will be the biggest and the best International DX Convention yet, and we hope you'll be able to join us to enjoy it all!

73,

John Miller, K6MM
 Rich Seifert, KE1B
 Kevin Rowett, K6TD
 IDXC 2017 Co-Chairmen

Two Free Amateur Radio Courses

FCC **“Technician”** course (entry level)

FCC **“General”** course (2nd level)

Each course is 2 sessions

The sessions will be on 27 May and 03 June 2017

Technician 9:30 AM to 1:30 PM both Saturdays (bring your lunch)

General 1:30 PM to 5:00 PM both Saturdays

The FCC tests will be 10:00 AM to noon on 10 June 2017

At the start of the 27 May Technician course, the Palos Verdes Amateur Radio Club will give a 30 minute presentation on how to get further involved with amateur radio.

The class location is at Fred Hesse Community Park,
29301 Hawthorne Blvd., Rancho Palos Verdes.

Confirm your attendance to Walt, K1DFO at waltordway@juno.com

There is no fee for either course.

Taking the FCC test is \$15.

Optional Material (sold at cost)

Gordon West books with all the FCC test questions,

\$22 for the Technician and \$26 for the General

Paper copy of Walt's Power Point charts,

\$22 for the Technician and \$22 for the General -

For courses sponsored by the Palos Verdes Amateur Radio Club, students thru grade 12 who pass their examination at a PVARC VE test session will, upon application to the Club, be eligible for reimbursement up to a maximum of \$50 to cover the cost of materials and the examination fee.

Everyone who obtains their first ham radio license through a PVARC VE test session, regardless of age, will receive a free membership in the Palos Verdes Amateur Radio Club for the remainder of the current calendar year.

For a printed certificate, \$5 and SASE 9X12 envelope. www.qsl.net/n5lea
- **03/18/2017 | Flight 242 Special Event Mar 18-Mar 19, 1400Z-0000Z, W4RSC**, Hiram, GA. Silver Comet Amateur Radio Society. 14.320 7.200 3.850. Certificate & QSL. Silver Comet Amateur Radio Society, P.O.Box 1873, Hiram, GA 30141. On April 4, 1977, Southern Airways DC-9 Flight 242 crashed in New Hope, Paulding County, Georgia, killing 72 people. Nine of those were on the ground. 21 people, including both flight attendants, survived. 2017 is the 40th anniversary of the crash. Silver Comet Amateur Radio Society wishes to commemorate those who lost their lives, to honor the survivors for their bravery, and thank those who came to help. silvercometars.org
- **03/18/2017 | New London School Explosion 80th Anniversary Mar 18, 0800Z-1800Z, N5L**, Overton, TX. Rusk County Amateur Radio Club. 14.280 14.070 (PSK) 7.280. Certificate & QSL. Rusk County ARC, P.O. Box 1496, Henderson, TX 75653. The New London School exploded on March 18, 1937, when a spark ignited a pocket of odorless natural gas that had leaked into the school's basement. The disaster killed more than 295 students and teachers, making it the deadliest school disaster in American history. To prevent future disasters, the Texas Legislature quickly mandated that thiols (mercaptans) be added to natural gas providing a strong odor that is now instantly and universally recognized. RuskCountyARC.com/N5L
- **03/19/2017 | Bataan Memorial Death March Marathon Mar 19-Mar 20, 1600Z-0100Z, K5B**, Las Cruces, NM. Mesilla Valley Radio Club. 14.250 7.250. QSL. Mesilla Valley Radio Club, P. O. Box 1443, Las Cruces, NM 88004. See website for full details. www.n5bl.org

Held monthly on 3rd Friday of the
month (except August and December)

No Host Breakfast

Held monthly on the 1st Saturday of
the month at 8:00am. Location:
Think Café on 5th Street in San Pedro

“VE/CE Session for Amateur and Commercial Licenses

Monthly on 1st Saturday **by appointment**. Go to k6aa.org/licensing-exams/

Also available most Wednesdays, again ... **by appointment**.

If no one schedules an exam, there won't necessarily be an exam team or exam material available.

The Museum is at the Foot of 6th Street. To get to the Break Room, walk past the main entrance around to the north end (nearest the Iowa) until you see the gate. There will be a greeter at the gate to the Break Room.
