United Radio Amateur Club  
Miss Edith Smith, Secy.  
3457 South Walker Avenue  
San Pedro, California

Dear Miss Smith:

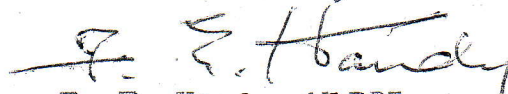

It gives me great pleasure to advise you that the League's Executive Committee has just approved the application of your club for affiliation. You are hereby declared a duly affiliated society. Kindly arrange to keep us posted on any changes in officers of your club so our records and mailing list for sending you information will always be correct.

The Club's charter will be issued as soon as the necessary lettering work arranged outside this office has been completed. We are arranging to forward this in a few weeks, as soon as the document with completed lettering has been delivered to us.

May I suggest that you report club doings and station activity of members monthly to your SCM, (Address page 6 QST). Such permits him to get club items into his reports in QST. Licensees in the club who are ARRL members should apply to him for appointments as set forth in "Operating an Amateur Radio Station." Ask us to send as many AREC registration forms as you can use for additional registration! If there is no local Emergency Coordinator, you are invited to recommend a qualified member to SCM for appointment.

You are now officially an ARRL Affiliated Club and our bulletins and news of current interest will be sent you regularly. Our very best wishes for the continuing success of your club programs and activities. 73.

Sincerely yours,

  
F. E. Handy, W1BDI
