

M

The Short Circuit

The April membership meeting will be held Friday, April 15th at 7 pm on Skype. The April Executive board meeting, was held on Friday the 1st at 7 pm, also on Skype and the April BOD meeting will be held on April 1st, same time and site. Here is the link to the *General Meetings* <https://join.skype.com/QWCrq4Ls0oTp>
Anyone having trouble using Skype, please [contact Tom K6IGY](#) for assistance.

Prez Sez

Please join our Weekly 2-Meter Net on Tuesdays at 8:00 p.m. We are using a new repeater that has a good signal in the San Pedro and South Bay areas. Nick, N6EFI, does an outstanding job running the net.

The monthly lunch on April 14th will be our last one. Starting in May, we will have breakfast on the First Saturday at 9:00 a.m. at Coco's on Western Avenue in San Pedro. The prices there are reasonable, and there is also a Senior's Menu. Please join us.

Field Day is going to happen this year in the field at our usual location at Upper Ft. MacArthur. If you want to set up a station, you can, especially if you have a trailer or motor home. Please contact me. We need stations for 40 meters, digital, CW, and VHF.

Steve Mandich
K6NT

The 2022 Field Day Weekend is June 25-26, 2022. Check the ARRL website for details.

Update on the K6AA station at the Maritime Museum

As of now, the LAMM is hoping to re-open its second floor (including our station area) to coincide with the 2022 Los Angeles Fleet Week, Memorial Day weekend this year.

During construction activities at the Museum, a lot of equipment belonging to the museum was moved for storage into the station footprint. When they give us the word that we can get back in, we are going to have to re-check not only the radio equipment, but also all the wiring and antenna connections to ensure that the work done in the area did not disconnect or re-direct any of our wiring.

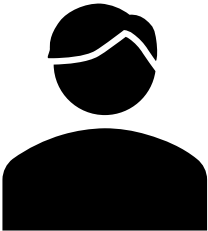

When the museum re-opens, we are re-committing to manning the station whenever the museum is open. Just as a point of information, the new hours are five days a week instead of six and 5 hours a day instead of 7.

If you are interested in joining us at the station and the museum, please contact Scotty at k6znl@arrl.net or (310) 748-3046.

IMPORTANT NOTES

K6AA Station While access to the Museum is temporarily closed, once operations are approved, we will need more operators for our K6AA station. When manning the station is again possible, please see Doug, W6HB, and or Scotty, K6ZNL, for training and checkout. Check out the special events page on k6aa.org for the latest from ARRL and e-ham net.
