

The Short Circuit

The May membership meeting will be held Friday, May 20th at 7 pm on Skype. The May Executive board meeting, was held on Friday the 6th at 7 pm, also on Skype and the June BOD meeting will be held on June 3rd, same time and site. Here is the link to the *General Meetings* <https://join.skype.com/QWCrq4Ls0oTp>
Anyone having trouble using Skype, please [contact Tom K6IGY](#) for assistance.

Prez Sez

Field Day is coming soon. So far we have a phone station and a CW station. Please join one of these. Also, please consider setting up and operating a station such as VHF, digital, satellite, 40-meter phone, or solar-powered. We can start setting up at 11:00 a.m. on Saturday, June 24th, so please help with setup. Let's have good participation with this first back-to-normal Field Day since 2019.

We have been having our monthly lunches on the second Thursday at Think Cafe at 1:30 p.m. These will continue. In the past, we have had good participation at our monthly breakfast meetings. So we are going to start doing these again. The first one will be held on Tuesday, June 7th at 9:00 a.m. at Think Cafe, and will continue monthly on the first Tuesday of the month. A weekday was chosen instead of Saturday since restaurants are very busy on Saturdays. Let's see whether or not this event will be popular and better attended than the luncheons.

A survey will be sent out asking about your interest in our Annual BBQ/Potluck, which is usually held on the 3rd Saturday in August. Please reply to the survey ASAP.

Steve Mandich
K6NT

**The 2022 Field Day Weekend is June 25-26, 2022.
Check the ARRL website for details.**

Another Update on the K6AA station at the Maritime Museum

As of now, the LAMM is NOT going to re-open its second floor (including our station area) until approximately mid-June, 2022.

During construction activities at the Museum, a lot of equipment belonging to the museum was moved for storage into the station footprint. When they give us the word that we can get back in, we are going to have to re-check not only the radio equipment, but also all the wiring and antenna connections to ensure that the work done in the area did not disconnect or re-direct any of our wiring.

When the museum re-opens, we are re-committing to manning the station whenever the museum is open. Just as a point of information, the new hours are five days a week instead of six and 5 hours a day instead of 7.

If you are interested in joining us at the station and the museum, please contact Scotty at k6znl@arrl.net or (310) 748-3046.

IMPORTANT NOTES

K6AA Station While access to the Museum is temporarily closed, once operations are approved, we will need more operators for our K6AA station. When manning the station is again possible, please see Scotty, K6ZNL, for training and checkout. Check out the special events page on k6aa.org for the latest from ARRL and e-ham net.

*Additional Calendar Notes***Club Roundtable**

Held weekly on Tuesdays, at 8pm, on the
W Repeater
147.240 MHz PL67 Hz

Club Meetings

- 1..Lunch meeting at the Think Café,
2nd Thursday 1:30-4 pm
2. Breakfast meeting First Tuesday,
Think Cafe., San Pedro, 9 am.
3. Virtual meeting held monthly on
the 3rd Friday of the month, 7:00 pm,
via Skype. Link sent by Tom K6IGY; if
having difficulty, [contact Tom K6IGY](#).

“VE/CE Session for Amateur and Commercial Licenses

By appointment. Go to <http://k6aa.org/licensing-exams/> If no one
schedules an exam, there won't be an exam team or exam material
available.
