

The Short Circuit

The June membership meeting will be held Friday, June 17th at 7 pm on Skype. The June Executive board meeting, was held on Friday the 3rd at 7 pm, also on Skype and the July BOD meeting will be held on July 1st, same time and site. Here is the link to the *General Meetings* <https://join.skype.com/QWCrq4Ls0oTp>
Anyone having trouble using Skype, please [contact Tom K6IGY](#) for assistance.

Prez Sez

The First Tuesday Breakfast, which was held at the Think Cafe on June 7th, was a success. We had 9 attendees, and we dined in the banquet room.

The Second Thursday Lunch was also held at the Think Cafe on June 9th. There were 11 people in attendance, and it was also held in the banquet room. We will have both meals again next month and see which is more popular. We will also do a survey.

Field Day is going to be held on Saturday, June 25th through Sunday, June 26th, with setup on Friday, June 24th at 11:00 a.m. Please help with setup. So far, we have stations for phone, CW, solar, VHF, and, very likely, digital. This is our return to a regular-operating FD after 2 years of operating from home. We are all looking forward to it.

Steve Mandich
K6NT

The 2022 Field Day Weekend is June 25-26, 2022.

Check the ARRL website for details.

Another Update on the K6AA station at the Maritime Museum

As of now, the LAMM is NOT going to re-open its second floor (including our station area) until approximately mid-June, 2022...

now that it's mid-June, that date is slipping also: we will keep you informed of opening dates!!

During construction activities at the Museum, a lot of equipment belonging to the museum was moved for storage into the station footprint. When they give us the word that we can get back in, we are going to have to re-check not only the radio equipment, but also all the wiring and antenna connections to ensure that the work done in the area did not disconnect or re-direct any of our wiring.

When the museum re-opens, we are re-committing to manning the station whenever the museum is open. Just as a point of information, the new hours are five days a week instead of six and 5 hours a day instead of 7.

If you are interested in joining us at the station and the museum, please contact Scotty at k6znl@arrl.net or (310) 748-3046.

IMPORTANT NOTES

K6AA Station While access to the Museum is temporarily closed, once operations are approved, we will need more operators for our K6AA station. When manning the station is again possible, please see Scotty, K6ZNL, for training and checkout. Check out the special events page on k6aa.org for the latest from ARRL and e-ham net.
