

The Short Circuit

The March membership meeting has been cancelled...

The April executive board meeting will be held on Friday the 3rd at 7 pm, on Skype. Anyone having trouble using Skype, please [contact Tom K6IGY](#) for assistance.

Prez Sez

Our March luncheon at the Think Cafe was a success. Please try to attend on the 2nd Thursday of the month at 1:30 p.m.

Do not forget our Tuesday 2m net. It's held at 8:00 p.m., 147.240+, PL67. Nick, N6EFI, does a great job with it. If you don't have anything to say, just stop by and say hello.

If you have any items to donate for our fundraiser, please contact either me or Bill, KB6WKT. The sale will be held on Saturday, March 25th at the TRW Swap Meet.

Field Day is coming and will be held on June 23-25. Please plan to participate. Let me know whether you are interested in operating a station, such as digital, satellite, or VHF. Our big Phone and CW stations are planned, and you can also operate on these.

Steve Mandich, K6NT
President

**The 2023 Field Day weekend will be June 24, 25, 2023.
The new logo for 2023 will be displayed when available.
It is not too soon to begin planning for this year.**

Station K6AA Update

Take a look at the picture...this is the first log page of log book #1 from K6AA at the Maritime Museum. It shows a cw contact with a Canadian station on 3/13/1988...after three other contacts, the date jumps to 4/9/1988 for further contacts. This means that sometime between March 13th and

April 9th, we will celebrate our 35th Anniversary of live contacts from K6AA at the Los Angeles Maritime Museum.

We (as K6AA) have been invited to participate in the April 15th Los Angeles Maritime Museum Special Event. Instead of opening at 12 noon, the Museum that day will open at 10 am. We have been asked to supply one of the judges for their lego contest. It would also be a great time to officially celebrate our 35th anniversary! If anyone would like to be part of a special event, or design a special event QSL card for us, please contact Steve (K6NT).

Los Angeles Maritime Museum
Presents

The Lego Shipbuilding Contest

Saturday, April 15, 2023

10:00 am— 2:00 pm

- ◆ Build a ship using museum bricks
