Earmarked for Field Day \$0.00

General Fund \$4,281.48

32 Members

=====

Treasury report was accepted.

Gina was Judge at last Saturdays Lego Ship Building at the Museum. About 500 participants. Big Success.

Steve Submitted application for Field Day site. Still waiting on permits. There was some concern about ruts and very tall weeds at FD Site.

Still looking for more K6AA operators. Gina is in process of getting checked to be Museum Volunteer and K6AA operator, as is Scotty's husband, Tom.

Gina brought up a good idea for next BBQ ... will possibly be a Pizza Party and perhaps located again on back deck of the Museum. Scotty will run the idea with Marifrances. Museum Employees and Port Police would be able to join participants, bringing side Dishes. More updates coming.

All going well at Station!!!

Meeting Adjourned 7:48 PM
