=====

Treasurer's Report passed on a voice vote.

With 16 in attendance, last Thursday was the biggest group for lunch at Think Cafe.

Museum Ships Weekend went well; about 100 QSOs including other Museum Ships.

Gina Mandich KF6MYQ will get Sandwiches for FD and Light House Light Ship weekend (Aug 19); this will be our August Pot Luck. There should be plenty of tables and chairs. RSVP for Pot Luck will be required.

Those at Field Day will be given a 4 digit code for rest room. John KC6JHV will be Photographing.

With charging to park at the LAMM, passes will be available for K6AA Volunteers.

Possible new locations for URAC December Holiday Party were discussed.

Larry will tow URAC trailer to the FD site. Hope to get city officials to visit K6AA on FD.
